TRIVIA during Sunday School

Sunday School is important

This is where the children come together to hear, read and learn the stories in the Bible. Each week your child is asked a few questions about the Bible story:

- 1 - What part of this story stuck out to YOU the most and why?
- 2 - How can YOU apply that Bible story to YOUR daily life?
- 3 - Who can YOU share this Bible story with?

The Bible is an amazing book filled with stories, and lessons that apply to our lives today. God is speaking to us through this book. It is important that we open the Bible, hear the Bible and apply the teachings to our daily lives.

God is calling us to respond to his word... bring your children to Sunday school or the Worship Service and allow them to learn... allow them to grow in their relationship with Christ... allow them to respond! God is calling ALL of us to follow!

COME to Sunday School! COME to Worship!

ADULTS & YOUTH....

VBS would LOVE to have you
serve the children in the community by
helping at VBS!

We NEED CREW LEADERS!

This is an awesome way to serve. You will be placed with a group (remain with that group all week) and lead the children from station to station.

There is ZERO prep work... just come and hang out with the children. Lead these children into a relationship with Christ. Help them to build relationships with the other kids and with Jesus!

VBS is life changing.... for you and the children. Make a difference in the lives of the children that sign up to participate in our VBS!

If you are able to serve... sign up online or contact Rebecca! Your time is greatly appreciated!
