No temptation has seized you except what is common to man. And God is faithful, he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can stand up under it.

1 Corinthians 10:13

See: Ephesians 2:4-8

You may have heard of Narcan, a drug that is used as an antidote for opioids especially in the case of an overdose situation. It is critical and needs to be right at hand to save someone.

Jesus is our Spiritual Narcan, our rescuer, offering immediate help that is available now. Just reach out and invite Jesus into your heart with 100% side effects. My soul cries out: come, come: God's grace is available to all, to you. Yes, you, if you are facing despair, sorrow, hardship, difficult relationships, contemplating suicide, addicted to drugs, sex, or_____. God's grace means Jesus has taken all. I mean all our harsh intentional and unintentional words, negative thoughts, deceitful actions, harmful deeds and sins and put them on His cross to be forgiven. Yes, you and I don't deserve this, but that is the meaning of God's grace.

As Pastor Bev, I have had the privilege of being present to witness God's amazing grace given to those desperately seeking relief, grace, forgiveness, mercy and love. They have told me their secrets and I have witnessed their pain. I have seen God's miraculous relief of grace with thankful tears on their faces. Jesus is the best rescuer in their lives and they are now a different person in Christ. May we share the greatest gift we have, of Jesus Christ, who is our life saver for those persons God puts on our path.

Pastor Beverly

Prayer: Dear Lord, I thank you for saving my life, for forgiving me of all my sins. May I now be available to share love, grace, forgiveness and mercy with others. In Jesus name I pray. Amen.
