TRIVIA in Large Group

### Sunday School is important

This is where the children come together to hear, read and learn the stories in the Bible. Each week your child responds to the Bible story in his/her journal. The journal stays in the classroom! They answer the questions....

- 1 - What part of this story stuck out to YOU the most and why?
- 2 - How can YOU apply that Bible story to YOUR daily life?
- 3 - Who can YOU share this Bible story with?

The Bible is an amazing book filled with stories, and lessons that apply to our lives today. God is speaking to us through this book.
