

# Scripture Stories Pathway

Pick the Old Testament stories (**Ruth, Esther, Jonah**) or the New Testament Stories in **Acts**. Answer these questions with journal writings, photo log or drawings:

*What stuck out to you?*

*What made you think differently?*

*What did you love?*

*What did you hate or make you feel uncomfortable?*

*How do you relate to the characters?*

*Where do you see God?*

*How does this book relate to our world today?*

*Where did you see bravery?*

*What inspired you?*

# Books, Movies & More Pathway

Read, watch, listen to four inspirational items (books, movies, TV series, podcasts, music). Ponder these things and journal, draw or photograph your responses:

*What was your overall impression?*

*Why did it inspire you?*

*Did you notice God in it?*

*What did you love about it?*

*What did you hate or made you uncomfortable?*

*How do you relate to the characters or persons?*

# 2020 Books, Movies, Stories & More... Youth Summer Reading

A vision for a better future... What beautiful place do you dream of? Forging streams, discovering the beauty of the desert, climbing mountains or crossing the ocean, or something else? Why is it pleasant or peaceful for you?

Our Summer Reading Program at PUMC has its origin in continuous learning and faith development. That's great, but this summer we also need encouragement and inspiration. We need to believe that God is with us and there is hope afoot in the world.

Summer 2020 is "Books, movies, stories and more." We want to dive into stories of overcoming and thriving, of struggle and not giving up, of uncertainty and faith. But we live in a time when books are not our only resource! There are many mediums that can give us hope and encouragement. This year we've added movies, TV series, podcasts and music. We are not without resources.

So, join in! We are on the move to places we have not imagined but they are places of hope.

We have prepared short videos of our staff members talking about their favorites, [www.powellumc.org](http://www.powellumc.org).

Send us a short video of you talking about your favorite from the summer!
