We are sometimes moved out of our comfort zone. To foreign lands, new situations, or living through a frightening pandemic. But our work might be the same. We may be thankful for the skills that we have that we can use in a “foreign land.”

“The Lord had said to Abram, ‘Leave your country, your people and your father’s household and go to the land I will show you. I will make you into a great nation and I will bless you; I will make your name great, and you will be a blessing. I will bless those who bless you, and whoever curses you I will curse; and all the peoples on earth will be blessed through you.’” Genesis 12:1-3

In what situations have you been uncomfortable? And how has your work helped you in that situation? Have you ever thought of your work as being a blessing? Who can you bless today?
