“Who of you by worrying can add a single hour to life? Since you cannot do this very little thing, why do you worry about the rest? Consider how the lilies grow. They do not labor or spin. Yet I tell you, not even Solomon in all his splendor was dressed like one of these. If that is how God clothes the grass of the field, which is here today, and tomorrow is thrown into the fire, how much more will God clothe you?” Luke 12:25-28

Look at the detail in these photos. How infinitesimally detailed God is. And this is just one variety of flower. The universe is filled with this kind of detail, including you. Soak up the beauty around you today and fill your heart. Let it flow out to your work, your words, your loving and your rest. You are loved more than you can imagine. And so is your neighbor. Imagine that.
