

Moments of Beauty

Week 2 - Beauty in Cultivated Gardens

Tuesday, September 15

Squash, blackberries and grapes. Gardner & photo credit: Alan Shore

“God blessed them (male & female) and said to them, ‘Be fruitful and increase in number; fill the earth and subdue it.’...Then God said, ‘I give you every seed-bearing plant on the face of the whole earth and every tree that has fruit with seed in it. They will be yours for food.’...God saw all that God had made, and it was very good.” Genesis 1:28-30

The fruit of the earth is a gift from God. A good gift. And one of the beauties of a cultivated garden is the partnership between God and humans. This garden pictured has taken many hours of dedicated, sweaty, loving work to come to this fruition. What good gifts from God can you name in your life? What are you partnering with our good God to do in your world today?
