“By day the Lord went ahead of them in a pillar of cloud to guide them on their way and by night in a pillar of fire to give them light, so they could travel by day or night. Neither the pillar of cloud by day nor the pillar of fire by night left its place in front of the people.”

Exodus 13:21-22

Clouds are beautiful. It’s intriguing how many kinds of clouds there are and what they tell us about the atmosphere and the weather. God used clouds to guide the people of Israel. They followed the pillar of cloud as they wandered around in the desert. God DOES lead us. Even when we feel like we are meandering or wandering aimlessly, God is leading. And we just need to catch up with what God is doing. Sometimes the clouds seem like they are in the way and we can’t see clearly, but if we keep following what God has put in our hearts we will get there. What is God placing in your heart today? Where is God leading you? Look up and see the clouds what do you see there?
