"Indeed, he who watches over Israel will neither slumber nor sleep. The Lord watches over you – the Lord is your shade at your right hand; the sun will not harm you by day, nor the moon by night. The Lord will keep you from all harm – he will watch over your life; the Lord will watch over your coming and going both now and forevermore." Psalm 121:4-8

This stunningly beautiful sunset is just before the dark. The dark can be scary. We can't see well. But this beautiful scene reminds us of God's presence. The psalm says that God does not slumber or sleep. God is with us, protecting us, loving us, watching over us. When we are filled with anxiety, remember the sunset. Remember God's love and longing to be with you, always. As you drift off to sleep tonight remember the beautiful sunsets you've seen and lean into the arms of God. Rest.
