Storm moving in. Photo credit: Katya Brodbeck

"Then they cried out to the LORD in their trouble, and he brought them out of their distress. He stilled the storm to a whisper; the waves of the sea were hushed. They were glad when it grew calm, and he guided them to their desired haven. Let them give thanks to the LORD for his unfailing love and his wonderful deeds for mankind." Psalm 107:28-31

This storm that came through recently was beautiful to behold. This picture shows how amazingly powerful and magnificent it was. But it was dangerous. It sent us to our safe places in our homes. This is the thing... as frightening as storms can be the flip side is that they are also beautiful. And God stills the storm. God brings peace to us, solutions to us. And in some storms we actually notice new things. The rain after the storm is refreshing and new. Are you enduring a storm now? Name it. Where do you find God's inspiration and peace in the midst of it? Pray that God will allow you to be sustained during the storm and find a new focus and life after the storm.
