

## Moments of Beauty Week 5 - Beauty in Sky

Wednesday, October 7

***Moonrise over Half Dome, Yosemite by Ansel Adams***

Praise the LORD from the heavens; praise him in the heights above. Praise him, all his angels; praise him, all his heavenly hosts. Praise him, sun and moon; praise him, all you shining stars. Praise him, you highest heavens and you waters above the skies. Let them praise the name of the LORD, for at his command they were created, and he established them for ever and ever— he issued a decree that will never pass away. Psalm 148:1-6

Have you ever thought about the moon praising God? The heavens, the heights, the angels, the heavenly hosts, the sun, the moon, the stars, the highest heavens, the waters above the skies...they all praise God who created them. And us. What about us? All of this beauty around us. Even the beauty of the night when the moon is a golden orb coming up out of the field or peeking in our window. Do we praise? We praise! Because God is beautiful and wants to love us completely even when we don't know that God is doing that. Notice the moon. And praise God for your life and your loves and your world.
