Shout for joy to the LORD, all the earth. Worship the LORD with gladness; come before him with joyful songs. Know that the LORD is God. It is he who made us, and we are his; we are his people, the sheep of his pasture. Enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name. For the LORD is good and his love endures forever; his faithfulness continues through all generations. Psalm 100:1-5

These are beloved local churches. The surrounding community has worshipped here for generations. All over the world these wonderful, faithful congregations exist, just like ours. They come to worship in these beautiful sanctuaries giving praise to God. God is a God who loves us in the details. The details of our worship lives are important. We were created to worship the loving God of the universe.

Remember a beautiful place you have worshipped...felt close to God, praised God, felt the nudge of the Holy Spirit leading and guiding, knew in your heart that Jesus loved you. Particularly you. As you recall that experience, imagine it being today. How can you worship God today, in your situation? Remember God loves you! And because of that, you are capable of great love.
