Have mercy on me, O God, according to your unfailing love; according to your great compassion blot out my transgressions. Wash away all my iniquity and cleanse me from my sin. For I know my transgressions, and my sin is always before me. Against you, you only, have I sinned and done what is evil in your sight; so you are right in your verdict and justified when you judge. Psalm 51:1-4

Here is a performance of "Miserere mei, Deus" by Allegri. I find beauty in the rich texture and pure harmonies that are highlighted by the unaccompanied choral sound. Not only is the music itself beautiful, but the act of bringing individual voices together for the common purpose of creating music is a beauty all on its own.
