

Prayers for 04/13/25

Thanksgiving

Children & youth, who joyfully led us in a Palm parade ushering us into Holy Week. **PUMC Barb Alber**, my missionary friend from New Jersey, who is in remission. Praise the Lord! **Catherine Dutkiewicz**

Norma Barlow, as my Aunt "B" turns 100 on April 20. God has surely blessed her. **Joy Vance**

Comfort, Healing, Discernment, Strength & Peace

Jane Chelena, Scott's aunt, for love and support as she begins the journey of breast cancer, may she heal quickly and lean on family & friends to support her. **Scott & Jen Wade**

Jenn Radulski, my daughter, as she prepares to move for a new job in southern California. **Dave Woodyard**

Jalene Kinzel, our daughter, for strength in the last four weeks of her third pregnancy and for safe delivery and a healthy baby. **Jim & Traci Pickett**

Joe Malcolm, the recipient of our son's liver in a transplant in 1998, as he undergoes testing and that he has restored liver function. **Suzanne & Rodney Mates**

Those Incarcerated at the Delaware County Jail, that the Word will not return void in the Gideon Bible Study that is sown in their hearts every Thursday. **Jay Middleton**

Catherine Dutkiewicz, as I navigate a possible move from my apartment. **Myself**

Paula DeBoard, my co-worker, diagnosed with breast cancer, for Christ's healing power to course through her to restore her to health and stamina. And for **Lauren**, her college-aged daughter, for strength and comfort as they go through this scary journey together. **Suzanne Mates**

Those with dementia and their caregivers, may God lift each one and fill them with love and joy. **Unsigned**

Sympathy

The family of Roger Smith, especially his wife, Susie, upon his death, 4/7. **PUMC**

Growing Together in Faith

Lenten Bible Study Groups, as they have gathered to study and reflect on the importance of resurrection during the season of Lent. **PUMC**

Sharing God's Love & Changing Our World

Red Bird Mission Team, as they prepare to travel to Beverly, KY, to serve and share God's love with the community. **PUMC**
